As a Parent(s)/Guardian(s) receiving School Readiness (SR) Scholarship funding, your signature below will certify that you understand, accept the responsibility and will abide by the program conditions outlined for continued receipt of a SR Child Care Scholarship. Failure to report changes and comply could result in termination of the School Readiness Scholarship. Please call 941-556-1600 to speak with a Family Eligibility Specialist if you have any questions.

The Early Learning Coalition of Sarasota County does not discriminate against parents or children on the basis of race, national origin, ethnic background, sex, religious affiliation or disability.

Report Changes within 10 Calendar Days

You understand that **for the initial 12-month eligibility period determined on or after July 1, 2016**, you have a responsibility to report all changes, identified in rule, **within 10 calendar days** and the consequences of not reporting changes **could result in termination of your School Readiness Scholarship**. The changes of circumstance identified in rule for the initial eligibility period are:

- **Address,**
- **Temporary/Non-temporary work or education status,**
- **Family size,**
- **Failure to maintain attendance at a job training or education program,**
- **Income exceeds 85% of the state median income (SMI).**

***After the initial 12-month eligibility period, you are also required to report any changes in income.**

Right to Appeal

You understand that you have the right to notification of decisions, and the right to appeal any decision, including reductions in or termination of services, or if your parent fees are increased. You may do this by contacting your Family Eligibility Specialist to begin this process.

Limited Funding Notice

School Readiness Scholarships are subject to the availability of funding and enrollment priorities. Available funding varies during the year and at times is not available which may result in the termination of your scholarship. **You will receive a minimum of 14 days notice if your scholarship(s) ends.**

School Readiness Approved Provider and Scholarship Authorization

Your School Readiness scholarship is only valid to use with a School Readiness Provider who has a signed contract with the ELC of Sarasota County. The ELC will not be responsible for charges you acquire from a provider who is not an approved and/or contracted School Readiness provider with our ELC. Your childcare scholarship(s) cannot start until you are determined eligible, your enrollment is processed and the childcare certificate is issued.

Right to Change Providers (Transfers)

In order to change SR childcare providers, a Provider Transfer form must be completed and submitted to your Family Eligibility Specialist **72 hours** prior to the start date at the new provider. The Provider Transfer form is available on our website at www.earlylearningcoalitionsarasota.org. Once your childcare transfer is approved by the ELC, then confirmation of the enrollment will be mailed to you and notification will be sent to the provider. If you move your child without authorization from your Family Eligibility Specialist, you will be responsible for paying the full cost of care. If you are not comfortable with the quality of childcare being provided or concerned for the safety of your child, you should immediately notify your Family Eligibility Specialist.

Responsibility to Sign In and Out

You are responsible to sign your child in and out of care each day they attend. Your signature must be a full signature in ink and include the arrival time and departure time. Parents may be held financially responsible due to nonpayment as a result of missing or inadequate signatures. School age children may be signed into care after school by the provider if this occurs during hours that the parent is working or in school; the parent must sign the child out. It is not otherwise acceptable for providers to sign children in and out of care or for there to be no signature. Anything less than a parent/guardians full signature (first initial and full last name is acceptable) in ink with the time in and out of care are considered non-reimbursable days. This is being strictly enforced.

Responsibility to Pay Co-Payments

You acknowledge that if you are assessed a parent copay (parent fee) by the coalition or contractor for participation in the SR Program, you must satisfactorily fulfill the parent fee obligation before being allowed to transfer to another SR Program provider. Satisfactory fulfillment of the parent fee obligation is defined as immediate payment of the outstanding parent fee obligation or establishment of a repayment plan for the outstanding parent fee obligation. If the provider charges more than the ELC's childcare reimbursement rate, you may have to negotiate or pay the extra money in addition to your parent copayment. It is important that you inquire about any additional provider fees before selecting your childcare provider. You must stay current with your parent copayments. Unpaid copayments may be cause for termination from the childcare scholarship program or may cause delay in processing transfer requests. All parent fees must be paid in full to the current childcare provider before a transfer to a new provider is allowed.

Responsibility to Maintain Attendance

The childcare provider will be paid no more than a total three (3) absence days per child per month. In the event of extraordinary circumstances in which your child is absent more than three (3) days, the parent guardian may submit a statement in writing to the childcare provider requesting the ELC pay for an additional seven (7) days of absences and provide the appropriate documentation such as hospitalization of the child for approval. Ask your provider about their attendance policy. If you remove your child from child care for more than 30 days without initiating approval from your Family Eligibility Specialist, your childcare scholarship may be terminated. If your child is sick, you must call your provider to let them know. If your child is absent five (5) consecutive days with no contact to the childcare provider, the ELC will determine the need for continued care, possibly resulting in termination of services.

Visitation Rights

The ELC strongly encourages you to visit your child while he/she is in care. You may visit anytime unannounced and let the provider know that you want to see where your child will play, eat and sleep. Discuss each of these activities with the provider as well as discipline and toilet learning policies. It is also recommended that you inquire about how this provider will help your preschool age child(ren) become school ready. You understand you have the right to unlimited access to your child during normal hours of provider operation and whenever the child is in the provider's care

Screenings and Assessments

As a recipient of a School Readiness Scholarship, the State of Florida provides for children birth to school age entry who are not yet enrolled in school and who receive scholarship childcare assistance to participate in Ages and Stages Developmental Screening. I consent to this screening with the understanding that the Early Learning Coalition of Sarasota County will refer my child to Early Intervention Program (EIP) or FDLRS/Child Find for further developmental evaluation if the score from the selected developmental screening or other concerns indicate the need for referral. I understand that I will be informed of any recommendations. I give permission for my child's information to the Early Learning Coalition of Sarasota County who will help assist me through this process of further evaluation and inform me of services available to my child. I understand that I have the right to decline and/or opt out of participating with the Ages and Stages Developmental Screening if I choose to by informing my Family Eligibility Specialist and signing the OEL SR 24 form.

Right to Confidentiality

Each parent or guardian has a right to confidentiality of child information and the right to inspect, review and request a copy of his or her child's SR record.

Notice of Social Service Assistance

If you have a social service need, please contact "2-1-1" by phone for social service assistance 24 hours per day.

VPK is a **FREE** program for all 4-year-old children living in the state of Florida (age exceptions may apply). CCR&R can provide you with assistance in locating Certified School Readiness Child Care Providers. Trained staff can answer your questions about choosing the best early learning program for your family and provide you with resources and recommendations on programs that are customized to your preferences. In addition, you will receive information about child development and developmentally appropriate practices. They can also offer you information about other services and resources available in your community. **Contact CCR&R by calling 941-556-1600** or at www.earlylearningcoalitionsarasota.org to request a list of childcare providers.

Eligibility Information Certification

Please verify that all information you have submitted for scholarship determination is true and complete. Any knowing omissions, falsifications, misrepresentations or failure to report changes in a timely manner may disqualify your child(ren) from participating in childcare scholarship programs and is liable for prosecution under the law. In addition, you may lose the right to receive future benefits and may be responsible for repaying those benefits that you were not entitled to receive. The Florida's Office of Early Learning and the Early Learning Coalition has the right to initiate and/or receive data either through direct contact or an automated data exchange process to establish the validity of household information provided by the applicant/recipient to receive program benefits. This will include but not necessarily be limited to social security benefits, birth dates, immunization status and/or all sources of potential and reported earned and unearned income sources (employment records, unemployment benefits, TANF, child support, etc.).

I acknowledge that I have fully reviewed this document and fully understand its contents and my responsibilities as the Parent/Guardian. I give consent to the Early Learning Coalition of Sarasota County's Child Care Connection and Department of Financial Services' Division of Public Assistance Fraud to request all information relating to my eligibility and to make inquiry into all statements or information given in the application. I understand that if I give false information, sign inaccurate attendance documents or fail to report changes in my circumstances, my case may be referred to the Division of Public Assistance Fraud for suspected fraud investigation.
