

2021- 2022 School Year VPK PROVIDER LIST 04/14/22

This list gives general information on each provider, including program hours, accreditation status, curriculum used, VPK readiness rates based on the most recent available statewide kindergarten screening results, provider's or school's services and availability of before and after care. All providers on this list meet requirements to be licensed or accredited to offer VPK and meet the minimum standards for teacher qualifications and class size, as mandated by legislation, meaning that **every VPK class has at least one teacher with a minimum of a Florida Child Care Professional Certificate (FCCPC)** and that a VPK class must maintain a ratio of 11 children to 1 teacher or 20 children to 2 teachers. Some providers exceed this standard. Many hold Gold Seal accreditation.

For **specific information on teacher qualifications**, teaching philosophy, curriculum and the overall program, call individual providers. To observe classrooms, teacher interactions, and the learning environment, **visit the site so you can choose the program that is right for your child.**

For any other information, or if you need further assistance, please contact the Early Learning Coalition's Child Care Connection at 556-1600, ext 125 or visit the Early Learning Coalition website VPK Parent Information page at www.earlylearningcoalitionsarasota.org.
