Volunteer Opportunities

**Literacy Buddy Project**
Correspond with a 3 year-old. Purchase new books and exchange drawings and letters throughout the school year.

**Preschool Makeover**
Provide the manpower or womanpower needed to reinvigorate and rejuvenate a childcare center building, classroom or playground.

**Supply Drive**
Get books, school supplies or learning materials into the hands of children who need them the most. Great project for students, groups, teams, clubs, etc.

**Administrative Help**
We can always use a helping hand in the office to organize books, place sticker labels on books, assemble mailing packets, etc.

**Special Events**
Assist in the set up, tear down and everything in between when we host an event. Guest reader events as well.
