

2024- 2025 School Year VPK PROVIDER LIST (provisional as of 10/04/24)

This list gives general information on each provider, including program hours, accreditation status, curriculum used, provider's or school's services and availability of before and after care. All providers on this list meet requirements to be licensed or accredited to offer VPK and meet the minimum standards for teacher qualifications and class size, as mandated by legislation, meaning that **every VPK class has at least one teacher with a minimum of a Florida Child Care Professional Certificate (FCCPC)** and that a VPK class must maintain a ratio of 11 children to 1 teacher or 20 children to 2 teachers. Some providers exceed this standard. Many hold Gold Seal accreditation.

For **specific information on teacher qualifications**, teaching philosophy, curriculum and the overall program, call individual providers. To observe classrooms, teacher interactions, and the learning environment, **visit the site so you can choose the program that is right for your child.**

For any other information, or if you need further assistance, please contact the Early Learning Coalition of Sarasota County at 556-1600, ext 125 or visit the Early Learning Coalition website VPK Parent Information page at www.earlylearningcoalitionsarasota.org.

- Find VPK providers by zip code and view licensing reports at the Florida Department of Children & Families website, www.myflorida.com/childcare, then click on **Child Care Provider Search**.
- Some private VPK providers also participate in *Look for the Stars*, a Quality Rating and Improvement System in Sarasota County. Star levels are noted here for your reference; more information is available at www.lookforthestars.org.
