

2025-2026 School Year VPK PROVIDER LIST **(provisional as of 11/05/25)**

This list includes general information about each provider, including program hours, accreditation status, curriculum, provider’s services. All providers on this list meet requirements to be licensed or accredited to offer VPK and meet the minimum standards for teacher qualifications and class size, as mandated by legislation. This means **every VPK class has at least one teacher with a minimum of a Florida Child Care Professional Certificate (FCCPC)** and that a VPK class must maintain a ratio of 11 children to 1 teacher or 20 children to 2 teachers. Some providers exceed this standard. Some providers hold Gold Seal accreditation.

For **specific information on teacher qualifications**, teaching philosophy, curriculum and the overall program, please call the providers directly. To observe classrooms, teacher interactions, and the learning environment, please visit the site so you can choose the program that is right for your child.

For any other information, or if you need further assistance, please contact the Early Learning Coalition of Sarasota County at 954-4830 or visit the Early Learning Coalition website VPK Parent Information page at
